

Bequests to Squash and Racquetball Foundation SA

Bequests provide a simple yet incredibly powerful way for all past, present and future players and supporters of squash and racquetball in South Australia to make a valuable contribution to support the goals of the Foundation and ensure future generations also have the privilege to enjoy a lifetime of recreational or competitive participation.

A bequest is a gift of money or assets that you leave through your will. Making a bequest is an uncomplicated and inexpensive process. You can change your will, in consultation with your family and lawyer, or simply add a Codicil to an existing will at no cost.

Once you have ensured that your family, friends and loved ones will be taken care of and you have decided you would like to make a bequest to Squash and Racquetball Foundation SA, your bequest can take one of the following forms:

- A percentage of the total value of your estate
- The residue of your estate after taking care of family and all your other beneficiaries
- A specified amount of money (please note that a specified amount of money will not appreciate over time)
- Proceeds from the sale of certain assets such as a life insurance policy, securities or shares

The following is an example of a bequest wording. Please note Squash and Racquetball Foundation SA is not qualified or authorised to provide legal advice, so to ensure your wishes are clearly and legally stated, we highly urge you to seek expert independent advice from a qualified solicitor, public trustee or professional will writer to ensure that the correct clause is entered into your will.

"I _____ give and bequeath unto Squash and Racquetball Foundation SA ABN 15 729 733 580 of PO Box 7336, Adelaide SA 5000 the sum of \$ _____ , AND/OR _____% of my total estate, AND/OR the residue of my estate and I direct that the receipt of an authorised officer of Squash and Racquetball Foundation SA will be sufficient discharge to my Executor or Trustees for this bequest."

If you wish your bequest to be used for a specific purpose, we would be happy to talk with you confidentially about your plans. Our goal is to be sure that your legacy is carried out exactly as you intend.
